Warning & Other

English

Avoid listening at a high volume level for a longer period of time. Doing so may harm your hearing.

Norwegian

Unngå å lytte på et høyt volumnivå i en lengre periode. Dette kan skade hørselen din.

Finish

Vältä kuuntelemista suurella äänenvoimakkuudella pidemmän aikaa. Se voi vahingoittaa kuuloa.

Deutsch

Vermeiden Sie es, das Headset über längere Zeit bei hoher Lautstärke zu benutzen. Es kann Ihr Gehör schädigen.hearing.

Italiano

Evitare di ascoltare ad alto volume per periodi prolungati perché si possono subire danni all'udito.

Spanish

La escucha de sonidos de alto volumen durante periodos prolongados de tiempo podría provocar lesiones auditivas.

After the implementation of the European Directive 2012/19/EU in the national legal system, the following applies:

Electrical and electronic devices may not be disposed of with domestic waste.

Consumers are obliged by law to return electrical and electronic devices at the end of their service lives to public collecting points set up for this purpose or point of sale. Details to this area are defined by the national law of the respective country. This symbol on the product, the instruction manual or the packaging indicates that a product is subject to these regulations. By recycling, reusing the materials or other forms of utilizing old devices, you are making an important contribution to protecting our environment.

Taking your gaming experience to another dimension.

A large, semi-circular gradient shape in the bottom right corner, transitioning from a light yellow at the top to a deep orange at the bottom.
